

Province V Creation Care Network
January 4, 2021
Notes

Jerry Cappel – Prov IV – a question about combining efforts for Prov IV and V.

Gregg Schneider – hydroponics in schools

Jane Stenson – also talked about school gardens

Mike Eck – does TEC want to see the gleaning movement grow? Maybe partner with Society of St. Andrew?

**question – do we want to rally around this?
Immediate need: \$24,000 in 2021 for Sue Plummer salary

Phoebe Chatfield – can attend about 1 / quarter

Elliott Bush – blog
Pointed out different growing seasons for prov V and IV

Pam – N IN

- Activities for youth
- Hikes in South Bend
- Looking at solar and wind options

Christopher Beasley – 6800 pounds of food in 2020
Growing Common Ground Farm – 2 Purdue students to intern this year.

Alison Ricker – OH

- Bellwether
- Citizens Climate Lobby
- Do we want to watch “A Perfect Planet” and have a discussion?

Rick Stanitis – N MI

- Maybe college students for gleaning?

Invited Dawn Barns or SoSA to join us for Feb. meeting.
