

Creation Care Network Notes

March 2021

Convener, Prov V: Catherine Duffy, catherineteresaduffy@gmail.com

Convener, Prov IV: Jerry Cappel, jjcappel@hotmail.com

Question during check in:

How do we weave the caring of creation into other active ministry teams who aren't necessarily thinking on those terms?

How do parishes stop using disposables and focus on reuse? How do we take simple steps to start this journey?

Is there a curriculum for creation care that the diocese of the Gulf Coast can use?

<https://www.amazon.com/Climate-Church-World-People-Change/dp/1538110695>

Jim has grant money to spend, thinking about how his parish might spend it.

Nancy-- connection with groups that are doing solar. What do people know? Also-- what can they do with their large land space?

- Midwest Renewable Energy Association would be a good resource to ask to hook up with solar energy. There are several non business groups who belong and maybe could help.
- check out: <https://collectivesun.com/>
- Talk with Catherine

Movie recommendation-- Kiss the Ground, <https://kisstheground.com>

Carl-- request to share copies of bills

The other movie Susan mentioned is called Last Chance for Tomorrow and talked about the sixth mass extinction, the time we are in now.
