Some notes from a member about Jerry's recommendations about recognizing those who have come before on the land that we're standing on:

Include preindustrial and farmers, Rogation day liturgies Practice of Beloved Community, Truth telling, Violence, slavery buildings also the land. What other disruptions - consider racial. Two-edged sword. Also, we confess our taking as we took for our own good. Sacred Ground. A program for the environment will come and will be at the retreat. Beloved Community website is a good resource also.

Rogation Days:
5th Sunday after Easter

The Sixth Sunday of Easter (the fifth Sunday after Easter Sunday) is traditionally known as “Rogation Sunday” in the Church of England's calendar of festivals. This is because the Monday, Tuesday, and Wednesday of the following week are known as the “Rogation Days,” **days for fasting and prayer**.
